Our Invitation to The 1964 Iowa Royal

We most cordially invite everyone interested in good livestock to attend the IOWA ROYAL of 1964.

THE IOWA ROYAL SALE, recognized as the very top State Short-horn sale in the Nation, is sponsored by the IOWA SHORTHORN BREEDERS' ASSOCIATION which also has always been recognized as one of the most progressive state associations in the NATION.

This year for the first time Iowa Polled Shorthorn breeders have joined Iowa Shorthorn breeders in presenting an outstanding selected offering of both branches of the breed in this 1964 Iowa Royal Sale.

The 55 herd bull prospects and the 12 outstanding females in the Iowa Royal Sale are up to and better than the usual high standard of Iowa Royal Sales. They are the kind that warrant the usual high average that repeat satisfied buyers have been waiting to pay for them. There are many top show winners included and the bloodlines and ancestry are of the very best.

Confirm this by studying the catalog, note the consignors, the pedigrees, the footnotes and the outstanding records.

Breeders, ranchers and farmers from coast to coast and from the Canadian border to the Gulf of Mexico in great numbers have come to the IOWA ROYAL for seed stock in the past. THEREFORE, this year, make it a point to join them and see one of the truly top STATE SHORTHORN sales in the NATION. Definitely, the IOWA ROYAL offers as much or more in the way of real quality and honest-to-goodness real producing Shorthorns and Polled Shorthorns than any other very top Shorthorn sale in the NATION.

PLAN TO ATTEND. We would like to show you our hospitality and give you every possible service we can.

BARBARIAN PRINCE 2D—Here is a bull worth traveling a long way to see and buy. He stood 4th in class at the 1963 International with the International champion, Illinois State fair champion, and International sale champion bulls filling in the 3 places above him. Truly real competition. He is a full brother to Barbarian Prince the 1962 Iowa State fair reserve champion that $\frac{2}{3}$ interest of was sold in the 1962 International sale to Krug and Tomson for \$1250, and whose steer calves averaged \$225 for us.
